## Attractive & Long Life Always

We offer high quality SS Cabin to our valuable customers. The stainless steel, which is best in market, is used for manufacturing of these cabins. Owing to their resistance to corrosion, longer functional life and perfect finish, these cabins are highly demanded in the market.

Features: Impeccable Finish | Robust Design | Longer Functional life

SS Cabins are the glory of your lift.

## Hydraulic Elevator

Hydraulic elevators are elevators which are powered by a piston that travels inside a cylinder. An electric motor pumps hydraulic oil into the cylinder to move the piston. The piston smoothly lifts the elevator cab. Electrical valves control the release of the oil for a gentle descent.
